#### Desvios à Proposta Aprovada

Se tiver havido desvios à proposta aprovada, quer do ponto de vista científico como financeiro, aponte os desvios e justifique-os. Se teve dificuldades na execução do plano de trabalhos aprovado, identifique-os e indique de que modo pretende ultrapassá-los.

Se no período em apreço tiver informado a FCT sobre alteração orçamental inter-rubricas (necessitem ou não de autorização por parte da FCT), indique aqui o motivo.

Não há desvios relevantes à planificação apresentada inicialmente. O reduzido orçamento não previa sequer um tão elevado número de actividades e publicações, mas a excelência efectiva dos investigadores do CETAPS permitiu superar largamente as expectativas iniciais quando partimos de tão pequeno orçamento. São relevantes não só os congressos internacionais organizados como o conjunto de missões em congressos internacionais em que os investigadores do CETAPS participaram. Relevam-se ainda as publicações em revistas conceituadas internacionalmente.
