Issue 21. August 2019

PORTUGUESE INITIATIVES

CALLS FOR PAPERS

Journal: *Translation Matters*:

Vol. 2 No. 1 (Spring 2020): General issue. Extended deadline: 31 August 2019.

Vol 2. No. 2 (Autumn 2020): Special issue: *Translation under Dictatorships*

Deadline: 28 February 2020.

Submissions are invited for a special issue of *Translation Matters* on the subject of Translation under Dictatorships, and seeks to attract specialists who will make a serious contribution to scholarship in the field. While it is expected that many of the submissions will be concerned with translation under the Portuguese Estado Novo, the Call is by no means restricted to this reality. We are also interested in general or theoretical reflections about translation under censorship conditions, as well as individual case studies from different geographical and temporal contexts.

Articles, in English or in Portuguese, should be 6000-8000 words in length, including references and footnotes, and be formatted in accordance with the guidelines given on the journal's website. Papers should be uploaded onto the site by 28th February 2020. <https://ojs.letras.up.pt/index.php/tm/index>. Queries to: karen.bennett@netcabo.pt
